DISCLAIMER

The House Label masks are not a replacement for medical-grade protective equipment, and should not be used in place of other recommended measures to inhibit the spread of COVID-19. Please continue to follow CDC guidelines, practice social distancing, hand-washing, avoid touching your face, and obey shelter-at-home orders.

Antimicrobial coatings do not protect against COVID-19. These masks are not intended to provide antimicrobial protection, and they have not been tested or certified to prevent or reduce any kind of infection and do not provide particulate filtration. The masks are not approved by any governmental or administrative organization, and have not been cleared or approved by the U.S. Food and Drug Administration. Please continue to follow your workplace/institutional standards and governmental guidelines and orders.
